The 358 items in this bibliography are divided into three sections: Books and Papers--54 entries; Articles and Excerpts from Books--253 entries; and Theses--51 entries. Sources consulted in preparing the bibliography included the "Canadian Education Index," selected periodicals (for about 10 years before the Index was initiated in 1965), "Canadiana," the Canadian Education Association registries of theses, and subject indexes of books and pamphlet materials in the Canadian Teachers' Federation Library. The preface indicates that the bibliography is "reasonably complete for the past ten years and includes some earlier material as well." (JS)
